SUNSHADE - REAR WINDOW RETRACTABLE SHADE.

- Blocks the heat from the back window and helps protect interior furniture and curtains from the damaging ultraviolet sunrays.
- Made with colorful FullView fabric for a clear view.
- All orders are custom and Non-Returnable.

The Sunshade is NOT intended for use on the side of the vehicle, over an emergency exit or for indoor use!

Mounting on an angled surface may result in improper operation of the Sunshade.

CUSTOM SUNSHADE ORDER FORM**STEP 1: MEASURE WINDOW WIDTH**

MINIMUM WIDTH = 30"; MAXIMUM WIDTH = 72"

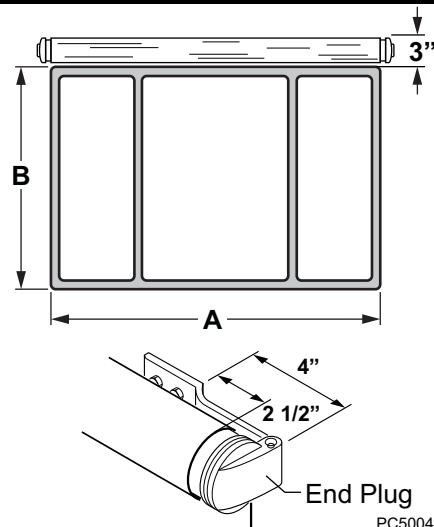

WIDTH A = _____

Measure the width of the window including the frame (A). This will be the fabric measurement.

Note: Overall length = Fabric measurement + 5".

Note: The mounting bracket is set approximately 2 1/2" in from the edge of the fabric. Each bracket mounting face measures 2 1/2" long by 1 1/16" tall.

Note: The Sunshade requires a minimum 3" flat mounting space above the window frame.

**STEP 2: MEASURE WINDOW HEIGHT**

MINIMUM HEIGHT = N/A; MAXIMUM HEIGHT = 60"

HEIGHT B = _____

Measure the height of the window including the frame (B). This is the minimum fabric height required.

VISORS

MAXI SIDEVISOR

Manual interior shade for motorhome cab side windows.

- Sun protection for the side windows of a Class A cab. Cuts heat and glare.
- Beautiful finished pull down shade housed in a black aluminum case
- 36" fabric drop for maximum sun protection.
- Split fabric design: Top 18" is solid black vinyl backed fabric; the bottom 18" is a black solar see through mesh that gives sun block while keeping the side view.
- Pull down adjustable drop.
- Pull cord - spring retraction.

POWER SIDEVISOR

Powered interior shade for motorhome cab side windows.

- Push Button operation, 12 volt motor.
- All the same benefits as the Maxi SideVisor (See above).

MAXI SMARTVISOR

Manual interior shade for motorhome windshields.

- Provides additional sun block you don't get from the Visors that came with the coach. Cuts heat & glare.
- Housed in a black aluminum case.
- 36" drop gives maximum protection
- Solid black vinyl backed fabric completely blocks the sun.
- Pull down lead rail to desired height; push up lead rail to retract.
- Doubles as a privacy shade while parked by ordering two overlapping visors. 36" drops to the dash.

POWER SMARTVISOR

Powered interior shade for motorhomes.

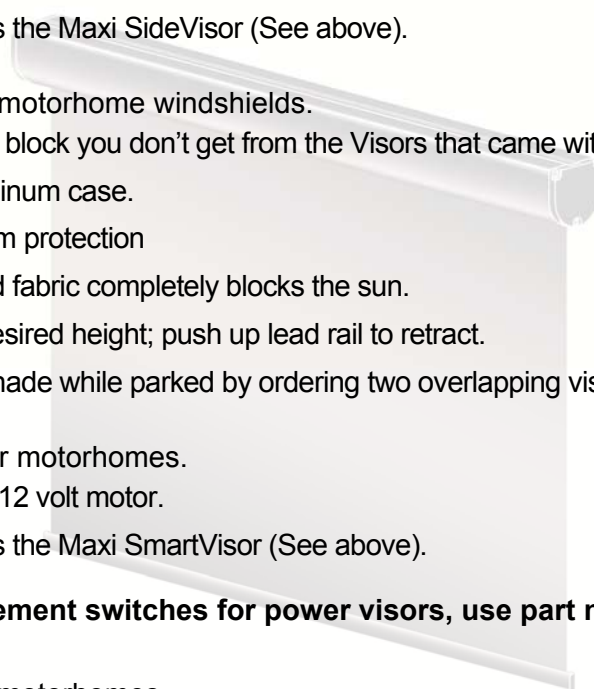

- Push button operation, 12 volt motor.
- All the same benefits as the Maxi SmartVisor (See above).

NOTE: To order replacement switches for power visors, use part number R00001.

SOFT ASCENT VISOR

Manual interior shade for motorhomes.

- Simply pull the shade down to the desired extension (up to 36"). When ready to retract, pull the lead rail down slightly and the visor retracts slowly into the black aluminum case.
