☐ PARTS MANAGER

The One-Touch Awning has limited parts availability for service. The illustration below shows parts that are still available.

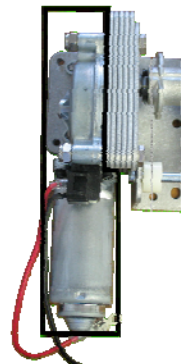

MOTOR REPLACEMENT AVAILABILITY

The original motor (black body shown on the left) is no longer available; the silver motor cannot be used for replacements. It will be necessary to update the arms with Travel'r or Eclipse arms.

The silver motor (shown in black box on the right) is still available (p/n R00772).

R00914xxx NLA

R00772

Fabric replacements are still available.

For warranty claims, please contact Carefree customer service.
