REPLACEMENT REMOTE LOCKS

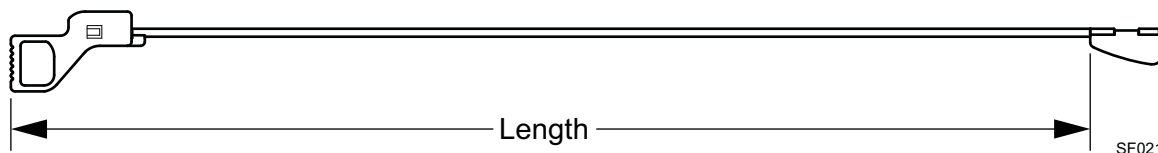

PLEASE FORWARD TO:

Dealer Service

☐ **SERVICE MANAGER** ☐ **WARRANTY MANAGER** ☐ **PARTS MANAGER**

The Carefree Spirit and Fiesta awnings use a remote lock located in the RH arm. For a correct replacement, it is important to measure the length of the remote lock that is required. Measure from the loop at the top to the slider (do not include the slider).

Below are replacement part numbers with the color, use and length of each.
