

EXCITING NEW UPDATE FOR E-CAREFREE!

Omega Replacement Canopies!

You can now configure and order Omega and Omega II canopy replacements with ease on e-carefree.com

You may have already experienced the new exciting tools to make awning ordering, troubleshooting and selling easier than ever on e-carefree.com and if you haven't we encourage you to log in today and check them out for yourself.

On www.e-carefree.com you can now search for parts or complete replacement of awnings and canopies with a serial number or part number. If you don't have a serial number or part number there is an easy to use point and click ordering system as well. No more digging through your awning books for information, or faxing cumbersome parts diagrams or order forms back and forth. Just click a few options and get the information you need right now including ordering.

New features include:

- Awning Configurator
- Part and Serial Number Search
- Parts Finder
- Canopy Configurator **NOW** including Omega and Omega II Canopies!

You will need a user name and password to access www.e-carefree.com. If you don't remember your username and password, or have never been set up on e-carefree, please call Carefree directly or log on to www.e-carefree.com and request a username and password and these will be emailed to you.

You can also watch our webinar on the new tools on the e-carefree.com site or by going to <http://www.rvaahq.org/i4a/pages/index.cfm?pageID=3667>
