

# Travel'r / ECLIPSE Add - A - Room

Quality • Value • Performance • Style

## **The only room on the market that works with your 12 volt Travel'r or Eclipse!**

The ADD -A- ROOM turns your Travel'r or Eclipse into a spacious private room. Roll up the privacy panels for fresh air, roll them down for complete seclusion. Great for extra storage.

- ✓ Easy installation and set up – Front panel attaches to roll bar by a zippered insert/front panel combination
- ✓ Choose from two models
  - Steep Pitch for Steep Pitch Travel'r or Eclipse awnings with awning rail to ground height of 108" – 128"
  - Flat Pitch for Flat Pitch Travel'r or Eclipse awnings with awning rail to ground height of 95" – 128"
- ✓ Reinforced white vinyl fabric
- ✓ Exclusive optional snap-less side panels
- ✓ Complete room with front and side panels
