Tips for Using This Price List

In relevant sections, a **part number breakdown grid** has been added below the pricing section. The grid helps you understand the logic in the part number, and further directs you to the color keys where you can find the codes to complete your part number. The grids also alert you to up charges for Polyweave vinyl fabric and custom colored hardware.

Here is an example: A 14 ft.: Eclipse LTD Acrylic Roller Assembly,

Style	Size in Feet 8' - 26' (dependent upon options)	Canopy Color (front cover)	FLXguard™/Uniguard/Alumaguard Color (front cover)
		Acrylic Canopy Color: All Key 2, or other acrylic colors	Alumaguard/Uniguard: Satin 23, White 25, Black JV; FLXguard™: Satin 5C, White 5B, Black 5A, Carbon 5D
XX	XX	XX	XX

To order this roller with Linen Tweed Acrylic and White Uniguard (using Color Key Charts) the part number is OU14EA25 for \$818 at Dealer level.

 This symbol denotes product that is available as a PC item! PC items are standard products with a 24-hour turnaround. See back page for details.
